Notes

For all Woodcote Junior memberships, the Club holds data such as full name, date of birth and address so that we can ensure that the child is in the correct age category, that you are billed the appropriate fee and that the child can have access to the Club when they require it. From time to time, the Club may send promotional material to advise them of events that are being held for their age group. The Club may use a mailing house to send this material and, once it is dispatched, the mailing house will destroy any mailing lists containing names and addresses that they have been sent.

Personal membership cards will be sent to all Woodcote Junior Members. To prevent the need for Woodcote Juniors to carry cash, their cards have the facility to charge items. Any charges will appear on your monthly member account.

Woodcote Juniors may only use certain sports and other facilities made available to them at specific times.
